Aloha!

In response to comments in teacher evaluation sheets last school year, we are revamping how we do our Teacher Packets this year. As you can see, the Packet materials are all now housed here in this website ready to download for your use.

Here is the sequence of use recommended for implementing the Operation Wildlife mini-unit:

**Part 1: Introduction to Operation Wildlife (OWL)**

1A Curriculum Plan briefly describes the three-part unit and the standards addressed.

1B HIPPO Worksheet

1C Teacher Overview of HIPPO Presentation which describes briefly what HIPPO stands for

1D OWL Vocabulary

**Part 2: Post-presentation; there are several worksheets you can use:**

2A Post-presentation quiz or Basis for Class Discussion; answer sheet is provided

2B OWL Vocabulary Exercise #1 word match worksheet; answer sheet (2BB) is provided

2C OWL Vocabulary Exercise #2 word match worksheet; answer sheet (2CC) is provided

2D Document called Ocean Trash in Hawaii describes some of the effects of trash that ends up in the ocean; info from NOAA (National Oceanic & Atmospheric Administration)

2E What Can You Do to Help? Suggestions and Ideas; use to make suggestions to students for the next part

2F Websites of Interest

2G Goal-Setting Worksheet; students choose an activity they can do for the next 2 weeks that will help take care of the environment.

Part 3: Your reports back to Assistance League of Hawaii regarding the OWL Mini-Unit and student attainment of goals. Please complete and return via this website in a timely manner!

3A Evaluation and Goal Tally Form Cover Sheet

3B Goal Setting Tally Form Report

3C Teacher Evaluation for Operation Wildlife

Part 4: The last part are optional color pages and worksheets that you can use as review or extra work for the students. Enjoy!
