How can you help preserve our native Hawaiian environment?  
Find the following words hidden in the puzzle below. Words may be horizontal, vertical, diagonal, or even backwards.

1. **RECYCLE** Paper, plastic, and glass can be recycled. Find out where the recycling centers are in your neighborhood. Teach family and friends how to recycle. Make toys out of used boxes, paper, and milk cartons.

2. **CONSERVE** Save energy and water. Turn off the lights, radio and television when you leave the room. Don't leave the water faucet running while you brush your teeth.

3. **DON'T POLLUTE** Keep our land, streams and ocean free from litter.

4. **DON'T RELEASE** Don't release your pets into the wild. Pets can wreak havoc on our native environment. They can prey on native species, compete for food, spread diseases, and destroy native plants.

5. **LEARN** Learn more about our special Hawaiian environment. Visit your library.

6. **TEACH** Teach others how to preserve our native species.

7. **VOLUNTEER** Volunteer for programs. There are many programs that need your help in cleaning our beaches, parks, and trails. You can make a difference!
