OPERATION WILDLIFE (OWL) CLASSROOM WEBSITE

ACCESS INSTRUCTIONS

Here is the sequence of use recommended for implementing the Operation Wildlife mini-unit. Each Part contains a zip drive.

- Download the zip drive.
- Find the zip drive in your Downloads folder
- Open each file in the zip drive separately to get the pdf of the document

Part 1: Introduction to Operation Wildlife (OWL)

Do this prior to the OWL Team's arrival for the presentation.

1A Curriculum Plan briefly describes the three-part unit and the standards addressed.

1B HIPPO Worksheet

1C Overview of what HIPPO stands for

1D OWL Vocabulary

Part 2: Post-presentation; here are several worksheets you can use to reinforce learning:

2A Post-presentation quiz or Basis for Class Discussion; answer sheet (2AA) is provided

2B OWL Vocabulary Exercise #1 word match worksheet; answer sheet (2BB) is provided

2C OWL Vocabulary Exercise #2 word match worksheet; answer sheet (2CC) is provided

2D Document called Ocean Trash in Hawaii describes some of the effects of trash that ends up in the ocean; info from NOAA (National Oceanic & Atmospheric Administration)

2E What Can You Do to Help? Suggestions and Ideas; use to make suggestions to students for the next part

2F Websites of Interest; this list can also be shared with parents for home follow-up

2G Goal-Setting Worksheet; students choose an activity they can do for the next 2 weeks that will help take care of the environment.

Part 3: Reports to Return to Assistance League of Hawaii

Your reports back to Assistance League of Hawaii regarding the OWL Mini-Unit and student attainment of goals. Please complete and return via this website within 4 weeks following the presentation! Use the links below to get to the reports:

3A Teacher Evaluation Form:

3B Student Completion Data Form:

Part 4: Optional worksheets The following can be used as review or extra work for the students.

4A Introduction Page to Worksheets

4B Additional website link for free coloring pages, etc

4C Preserving Our Environment Word Search

4CC Preserving Our Environment Word Search ANSWERS

4D Word Search

4DD Word Search ANSWERS
